

OPEN CALL: SCHOOL - TABLES

OBJECTIVE

BA&DF is a leading fair for Belgian art and design taking place at Arsenaal, Gentbrugge from 19 to 22 October 2023. BA&DF aims to be a unique, idiosyncratic platform for Belgian art and design.

FOR WHOM?

This open call is intended for students and/or graduates up to 3 years old in an art or design direction, such as visual arts, (interior) architecture, product design, etc.

OPEN CALL!

Design and manufacture a table that is suitable for use in the bar area of the BA&DF fair, so that both visitors and exhibitors can eat and drink. Therefore, make sure that the table is stable. All tables will be combined with the black Series 7 chairs, designed by Arne Jacobsen for Fritz Hansen, also known as the 'butterfly chair'.

We are looking for young talent with surprising designs that put you in the picture as a designer. As a designer you have complete freedom in terms of shape, material, style and dimensions.

WHY?

With more than 10,000 visitors, the BA&DF offers a large audience that will see and use your design. The name of the school, the field of study and the designers of the tables are mentioned on the table itself, as well as on social media and the website.

If desired, the tables can also be offered for sale. In that case, 30% of the selling price goes to the stock exchange.

RULES

The tables can only be designed by students who are still in school or have graduated within the last three years.
